From Zero to Hero: Photoshop Foundations

This is a completely new Photoshop class. We created this class in order to help design professionals to enhance the essential Photoshop skills.

The main topics discussed are:

- Workspace optimization – make Photoshop serve your needs
- Color Space Synchronization
- Selections – don't limit yourself, limit Photoshop
- Pen tool technique – surgeon-like precision
- Tips and Tricks – a designer's treasure

BEGINNER-INTERMEDIATE Photoshop users only. Taking our Color Management Class prior to this one is a plus but not required.

The class takes about 2 hours. There are 4-6 people in each class. We strongly recommend bringing a laptop, so you could try the technique during the class using the images we will provide. You can also bring your own images.

The charge for this class is \$175 per person. AAU and CCA students pay \$150 per person.
