Portfolio Printing

- All spreads will be printed double sided on Xerox 700 Digital Color Press
- We print on a variety of Coated and Uncoated Papers
- The file should be prepared in Adobe InDesign. Please package the file, which will pull in all the necessary Links and Fonts.
- We recommend taking our Color Management and Photoshop Classes before the Portfolio Class. We also recommend students to Rent our Photostudio in order to achieve better shots using Professional equipment.

	8.5 in x 11 in	11 in x 17 in	12 in x 18 in	13 in x 19 in
First Copy (\$)	5.00	7.50	8.00	9.00
Multiple Copies (\$)	1.25	2.10	2.25	2.50

Oversized Poster Prints

- The files should be prepared in Illustrator, InDesign or Photoshop. We can sure print PDF's but prefer to print from "original" application, which gives us more control over color.
- All images should be linked. Illustrator files should be in CMYK Color Mode, linked images should be RGB. Don't forget to bring the Fonts.
- We print on a variety of Papers from Epson, Moab and Hahnemuhle.

Please contact Plotnet (service@plotnet.com) to discuss and schedule your printing job.
